

# Worksheet – Investor Tower & Slice of the Market

## **Part I: Investor Tower**

1. Did you always invest all your investable funds? Why or why not?
2. Look at your portfolio at the end of the game. Which investment gave you the highest return in dollars?
3. Compare your final net worth with a classmate's. What did they do differently?
4. Near the end of the game, how did you feel about collecting coins? How about your paycheck?
5. Did you ever sell an investment? What made you decide to do that?

## **Part II: Slice of the Market**

6. Which asset class (stocks, CDs, Savings, Bonds) did you invest the most money in?

7. Compare your portfolio with a classmate. Where did your allocations differ, and what tradeoffs did each of you make?
  
8. Was there an asset class you avoided often? Why?
  
9. If you had more in-game time, how would your allocation have changed?

### **Part III: Reflection**

11. What surprised you most about how investments performed over time?
  
12. Think about your own life right now. If you had \$1,000 to invest today, where would you put it and why?
  
13. What's the biggest risk of investing too conservatively? What's the biggest risk of investing too aggressively?
  
14. What's one thing you learned from these games that you didn't know or think about before?
